

# The Emmanuel Eye

*We see you and all the amazing things you do!*

**Spring 1 – Friday 30<sup>th</sup> January 2026**

Dear Emmanuel Families,

Welcome to the end of another busy and rewarding week at Emmanuel Junior Academy!

It has been truly lovely to see some of the wonderful learning taking place across the school this week. We have been focusing on building strong foundations, particularly encouraging our children to take real care with their spelling, punctuation, and handwriting in every subject - not just within the core lessons. It has been encouraging to watch pupils showing pride in their presentation and aiming for their very best.

Looking ahead next week, we are excited to be celebrating **National Storytelling Week**, a fantastic opportunity to immerse ourselves in the power of stories and the joy of sharing them together. We will also be taking part in **NSPCC Number Day**, joining thousands of schools across the country to promote a love of maths while thinking about a very important cause.

Have a lovely weekend. Mr Backhouse

## Gold Readers

Congratulations to our **Gold Readers** this week: Daneeka, Ethan, Isla, Lilly, Winnie and Harvey.

They will get the chance to choose a reading book to keep from our donated book shelves.

This week during our worships, we have continued to explore the value of of **Courage**.

When we are afraid, sometimes it's important we do it anyway – show courage - or we'd miss out on enjoying life.

In the Bible, it teaches us: “**Perfect love casts out all fear.**” – [1 John 4.18]

**Reflect:** think of a time in your life when you have been scared, nervous or worried.

*How did you overcome this fear?*

*How did you show courage?*

**Courage** is...

Carrying on when things are difficult

Overcoming fear

Understanding and facing a challenge

Risking being out of your comfort zone

Always believing in God's promises

Going for a goal

Empowered by encouragement

# An Eye on Out-of-School Achievements

# SPOT LIGHT

We love seeing our pupils shine beyond the classroom! Take a look at some of the incredible **Out-of-School Achievements** that have taken place in our community over the past week.

A huge well done to Ethan, who passed his Stage 6 swimming this evening and is now moving on to Stage 7 (purple hats).

## Important Updates:

We are excited to be supporting **NSPCC Number Day** this year, on Friday 6th February!

To help us celebrate the fun of maths and raise awareness for a wonderful cause, children are invited to come to school dressed up in a number themed outfit on Number Day. This could be anything from a favourite sports shirt with a number, a T shirt decorated with numbers, or a creative maths-themed costume! We are also encouraging pupils to take part in the fundraising aspect of the event to help support the NSPCC's efforts to keep children safe. Donations would be greatly appreciated to support our fundraising efforts.

If you would like to find out more about Number Day and the work of the NSPCC, please visit [www.nspcc.org.uk](http://www.nspcc.org.uk).

Thank you for your support. We are looking forward to a fantastic day of number fun and learning!

How about decorating a plain t-shirt or wearing your favourite sports top with a number?

**'Be Inspired'**

Could you be a human calculator, dice, domino or playing card?

\*\*\* Family Communication Seminar - 11th February 2026 - 10:00am \*\*\*

Just a reminder that our second Family Communication Seminar is taking place on 11th February 2026 at 10:00am.

With it being the second one to be held this year, we have changed the focus to 'Understanding children's behaviour and feelings'.

This workshop is for co-parenting couples to attend together who are either living together or apart. This is an opportunity to reflect on what is working well in the family, putting the children's needs first and what areas could be further developed or changed. The workshop aims to improve child development and outcomes, parenting, family resilience and family relationships. The Being a Parent Together workshop course creates a trusting group ethos, where parents are encouraged and supported.
