Spring1/February 7th 2025

Dear families,

Thank you so much to those who were able to attend our Safer Internet workshop. This year, Safer Internet Day is focusing on the issue of scams online for young people, how to protect themselves and others, as well as what support is available to them.

**'Too good to be true? Protecting yourself and others from scams online'**

If you were unable to attend, more information can be found by following the link below.
