

# The Emmanuel Eye

We see you and all the amazing things you do!

Spring 1/9th February 2024

Dear families,

Thank you all for an amazing week in school once again.

Particular highlights have been the Fabulous Finish events. It is always a pleasure to welcome you into school for the children to be able to explain their learning and share new knowledge using all the vocabulary they have been taught. Thank you so much for your support.

Thank you also for the great support at the coffee morning this week. It was amazing for Mrs White and I to have the opportunity to sit with so many parents and carers to discuss internet safety and develop our understanding of the issues affecting our children and the ways we can develop our curriculum in response.

All that remains is to wish you a wonderful half term break with your loved ones. We look forward to welcoming you back on Tuesday 20<sup>th</sup> February.

Best wishes from Mrs Thorpe

# SPOT LIGHT

An Eye on special events and achievements in school and in our community

It was an absolute pleasure to reward these wonderful pupils today. At the end of half-term, all children chosen as stars of the day are entered into a prize draw (every time they earn it). Well done, you all deserve a treat from me!

Next term, make sure to go for as many 'star of the day' awards as you can to increase your chances of winning the Easter prize!

How wonderful it was to spend some quality time with these amazing gold award winners.

Great to hear about the wonderful learning taking place throughout the week!

Well done to Ana from Year 3 and her little brother Zac who have been so inspired by the Art work of Romero Britto that they have created their own pieces at home. Great work you two!
