

The Emmanuel Eye

We see you and all the amazing things you do!

Spring 1/19th January 2024

Dear families,

We were delighted to launch Children's University this week in school and the children were certainly excited about their passports! Children's University is an international organisation that provides children and young people with access to exciting and innovative learning activities and experiences outside of the normal school day. We know many of you are familiar with the organization as it proves very popular at Waterthorpe Nursery and Infants School. I do have copies of Ms Badger's information letter in my office if you have misplaced your original.

Many of our wonderful Year 6 pupils have volunteered to set up a 'Friends of Emmanuel Fundraising Group' with the support of Mrs Cottam. Watch this space as we will be keeping an 'Eye' on their ideas. They are keen for some of the funds raised to be used to help lower the cost of their residential visit. Mrs Shepherd and Mrs Cottam will soon be arranging a parents' meeting about the visit to provide more information...including which of us staff members are queuing up to accompany the children!

Best wishes from Mrs Thorpe, have a restful weekend!

An Eye on Upcoming Events

- Fabulous Finishes in February. Join your child in class as they have the opportunity to discuss their learning.
- Year 6 swimming gala
- February 2nd Number Day. Join your child in class for the first lesson of the day so we can share their maths learning with you.
- World Religion Day: Children will be encouraged to research how the theme of courage is explored in a range of religious and non-religious stories.
- Safer Internet Day 6th February event for parents. Coffee Morning for parents in the pod
- Inset day 19th February.

SPOT LIGHT

An Eye on special events and achievements in school and in our community

Well done and congratulations to our lovely Talia who was announced winner of a Christmas colouring competition.

Here is her a picture of her beautiful work on display!

Following the Christmas Bake Sale, did your child return with a container like this with the wrong sized lid?

Please could you check as one of our Year 5 pupils has his own named lid but the container he took home is too large which makes it unusable.

Many thanks for checking,

Mrs Thorpe
