

The Emmanuel Eye

We see you and all the amazing things you do!

Autumn 2/3rd November 2023

Dear families,

A huge welcome back to our children and families this week. We have quickly settled back into routines and the atmosphere around school is great. The classrooms are looking amazing and it is wonderful to see the such high-quality work on display.

Our curriculum foci moves from History to Geography, and from Art to Design and Technology this half term. The planned learning is really exciting with lots of sewing, electronics and geography fieldwork. Of course, we have lots of Christmas events to look forward to as well!

Thank you to Mrs Higson for presenting the 100% Attendance certificates this week and a huge congratulations to the children we celebrated. Every lesson in school counts towards the best possible progress!

Have a lovely Bonfire Night and stay safe. I will be watching from the window and spending time with the doggies- Billy and Mabel Thorpe
