Dear families,

Welcome back to the final half-term of the year. Despite the rainy weather, it has been a bright and cheerful week together in school with the children starting new units of learning. Look out for them bringing home their new Knowledge Organisers. These are a great way for the children to share key knowledge and vocabulary with you and a prompt for them to talk about their learning.

It was wonderful to wander around school as the children proudly showed off their Artwork to you this week. Thank you so much for coming along to enjoy their work-they were very proud to show it off! The Sketch Books move up with the children to the next class so it is always a pleasure, as they get older, to look back through the books. The development in a range of skills and the way they discussed a range of artists was really impressive. Well done children and thank you families for your support!

Finally, a little group of children are enjoying making 'fairy gardens' at playtimes. If you have any unused, whimsical items like wind chimes or garden ornaments, we would really appreciate the donation. We can dedicate a little area of grass for them under the trees.

With best wishes for a lovely weekend from Mrs Thorpe!

Congratulations to our star readers this week—Grae, Zach, Posi, Fran, Lilly and Freya. Please choose a donated book to keep!

Class of the week to sit on the benches in Collective Worship after half term are The Antelopes. Well done for 100% of the class avoiding the grey door.

My second class of the week are the Iguanas with 96% of the class avoiding the grey door this week. A super start back to Summer Term 2.

We have started to look at the story of Joseph and his brothers, from the book of Genesis, this week. We thought about the impact of jealousy on behaviour and how this can sometimes affect us in school. For that reason we chose our value 'Be Respectful' this week and, our school rule 'Allow others to work to the best of their ability'. This is more challenging when we may feel a little jealous.

"They said to one another 'Here comes that dreamer. Come on now let's kill him and throw his body into one of the dry wells. We can say that a wild animal killed him. Then we will see what becomes of his dreams.'" Genesis (37.26)
