

The Emmanuel Eye

We see you and all the amazing things you do!

Autumn 1/Week 2/15th September 2023

Dear families,

We have had a really positive week in school and I have loved spending time in classrooms with the children. I hope everyone really enjoyed the opportunity to learn along with their children today. If you couldn't make it, please do not worry! We have planned lots of events like this for the year and we are always so happy to open our doors to you all. Thank you so much to everyone who joined me for a cup of tea and a chat today. I am here to listen and will always welcome new ideas! Have a super weekend everyone!

Best wishes, Mrs Thorpe

SPOT LIGHT

An Eye on special events and achievements in school and in our community

Mrs Higson and I would like to shine a spotlight on the importance of learning times tables. We know that times tables are so important in everyday situations such as shopping, cooking and sharing things out fairly in school! In addition to this, having these facts memorised makes other areas of maths so much easier.

We are working hard with children using a range of strategies such as songs, chants and games and would really appreciate your support with this. Please ask your child's class teacher for more details of what they have been doing in class and how you can support.

Congratulations to our lovely Lilly White who has found out she is having a baby sister! Everyone at Emmanuel is delighted to hear this and we know you will make a wonderful big sister!
