

# The Emmanuel Eye

We see you and all the amazing things you do!

**Autumn 1/Week 4/29th September 2023**

Dear families,

What a wonderful week we have had! As your children will have told you, we have celebrated the European Day of Languages this week. I set a challenge for the children to learn greetings in another language to share with us on the gate. The staff are really delighted with the response and our mornings have been brightened by their enthusiasm!

Learning a new language is so beneficial because it helps us learn about other cultures, expands career opportunities and even boosts brain power!! Keep the conversations on the gate coming...next week, you could introduce yourself in a language of your choice!

*Please remember that the morning registers close at 8.55am Children need to be in school, have chosen lunch and be ready to learn by this time. The first lesson is always reading and every minute matters!*

Happy weekend from Mrs Thorpe
